WHAT YOU'LL LEARN

- This full-day certification class is designed for stylists who want to elevate both their technique and business. You'll learn how to complete a full-head Tape In Weft application, including proper removal, re-taping, and reapplication methods. We'll also walk through head mapping for seamless installs, consultation strategies, and how to structure your pricing and service menu to boost profit and retention.
- In the second half of the class, you'll get hands-on with cutting and blending techniques that ensure every install looks natural, polished, and customized to your guest.
- Leave with your certification and the confidence to offer elevated installs that grow your business behind the chair.
