

Milbon Virtual Class 2026

Join our Milbon Virtual Class 2026 and unlock the secrets behind our premium haircare and color solutions. We offer five dynamic PK classes designed to inspire and empower beauty professionals. Each class is live, interactive, and led by Milbon educators, giving you real-time insights and practical tips to elevate your salon services.

Class #1: Signature Haircare

A full product knowledge on our Signature collections curated live by one of our Milbon Artists. Explore Smooth, Moisture, Repair, Repair Heat, Blonde Plus, Curl, Anti Frizz, Volume, Reawaken, and Scalp as well as our Extended Collection. Learn how each system targets specific hair needs with proven results, and how to confidently prescribe the right regimen for every guest.

Class #2: Styling (Creative Style & Monochromatic)

Explore two styling collections in one dynamic virtual session. Learn how Signature Creative Style products build texture, movement, and editorial finishes, while the Milbon& Monochromatic collection delivers versatile styling options. Discover how to choose and layer products for every hair type and aesthetic, along with ideal client recommendations and in-salon styling solutions. A live educator will lead you through key benefits, usage techniques, and real time Q&A to help you confidently elevate your styling services.

Class #3: Gold

Step into Milbon's most luxurious, technology-driven hair care experience. This live virtual class explores the full Gold lineup - what makes it premium, how its breakthrough science delivers unmatched repair, shine, and performance, and how to prescribe each product with confidence. A live educator will walk you through key benefits, ideal clients, and usage techniques, while answering questions in real time to support successful in-salon implementation.

Class #4: Head Spa:

Experience the foundations of Milbon's head spa philosophy in this live, online session. Learn how to select the right scalp and spa products for each guest's needs, understand consultation basics, and explore an introduction to offering premium scalp services in the salon. A live educator will guide you, answer questions, and help you confidently bring head spa to life behind the chair.

Class #5: Sophistone

Discover the full Sophistone portfolio in this live, interactive online session. Learn the key benefits, usage, and results of the Permanent Color, Demi Color, and Lighteners - along with essential support products that elevate every service. A Sophistone educator will guide you step-by-step, answer questions in real time, and help you feel confident incorporating the line behind the chair.
